3. In 150 words or fewer, how will a Huntley Brown Foundation scholarship personally impact your life?

4. In 250 words or fewer, please tell us who has had the biggest impact/or influence on your life and why?

5. In 50 words or fewer, how do you personally define success?

Essay #1: Identity

Michael Jordan is known to many as the greatest basketball player of all time; Billy Graham will forever be remembered as a culture-shifting evangelist; Oprah Winfrey will go down in history as a global mogul. Though we celebrate these people for their accomplishments, their accomplishments do not define their identity. How do you define identity, and how do you define yourself? In 500 words or fewer, please tell us who you are.

Essay #2: Faith

Life is full of ups and downs, each journey shaping more of who we become and what we believe. In 500 words or fewer, please share your faith journey and why you believe what you believe. (*This could include your personal journey to Christ, familial upbringing, and influential books, people, and places in your story.*)
